## Levin: Odds Against Camp Grayling

by Jon Thompson

Sometime next week U.S. Senator Carl Levin expects to find out if Camp Grayling is going to be included on a list of possible sites for a new Light Infantry Division.

Until then, Levin advised an audience of about 70 persons at the Grayling Holiday

Inn last Thursday not to put the community through the agonizing process of trying to decide if the community wants the base.

"I'm not so sure it makes sense to put you through that kind of meat grinder to resolve an issue like that if Camp Grayling can't even

get on the list to be considered," Levin said.

It's a long shot Camp Grayling will even be considered for the new Light Infantry Division, he said.

"The odds are against us for a number of reasons," said Levin. "The principal reason is the Army is limit-

ing their search for a site on federally owned property."

Levin thinks a dual land-use deal could be worked out to solve that problem.

"I have proposed the Army consider Camp Grayling because I believe it would be the right setting for the Light Infantry Division," Levin said.

The terrain would be suitable for training, the climate would be similar to European climate, there is or will be enough acreage available for training, and the base would add to the economy of the area while making better year-round use of the facility, he said.

Levin said he's not trying to sell the division to the community but wants the Army to at least consider Michigan.

"We don't receive our fair share of defense money or other money. I want the Army to at least think Michigan, to open up their eyes and stop short-changing my state."

Levin repeated often at the one-hour meeting that he only wants Michigan considered. If the community feels they don't want the new base, then they won't get it.

"There are many places in the country competing for the Light Infantry because of the economic spin-offs. I guarantee you if you don't want it here you won't get it."

Although many in the audience spoke out against placing the division here or even being placed on a list of possible sites, Levin said the best way for him to find out

the sentiment of the community is through the elected representatives. He said if Camp Grayling is put on the list to be considered, then he will have to have some indication by the city council and county board of commissioners giving him the green or red light to proceed.

He said he would be happy to drop the issue earlier if the city council or county board told him to. Levin said it isn't fair for someone from the outside to come in and make a decision whether something is right for a community. He said the decision will be up to the local people.

"Don't get the impression we started some wheels rolling that can't be stopped," he said. "The wheels can be stopped."

## Landfill Pollution May Cause Closing

By Jon Thompson

The Crawford-Otsego landfill may be closed by the DNR unless a clay cap is placed over 20 acres where contamination has spread into nearby monitor wells.

Crawford County commissioners John Miller told his county board July 10 three monitor wells around the 20 acres first used when the landfill opened in 1974 show contamination and another is beginning to show traces of contamination.

"Either we clay cap it or they shut the entire landfill down," Miller said. "Even if they close it down we still have to clay cap it. If we don't, they will, and then they'll sue the counties to collect the money."

Covering the 20 acres with clay will cost about \$300,000 according to one engineering study, Miller reported. The counties applied for a \$270,000 grant but were supposed to hear by July 1st if

they received it. Miller thinks the county didn't get the grant and one of the reasons might have been because of a "Catch-22"

position. The county landfill should be licensed to receive the grant, yet the landfill can't get a license until the pollution problem is cleared up.

Miller says the counties can clay cap the 20 acres for about \$100,000 less than the engineer study estimates.

"I think we can save \$100,000 by doing it ourselves," Miller said. "Buy a couple of good used dump trucks, hire a couple of men, and start hauling the clay."

Miller said the DNR would allow the counties to haul clay from a Bald Hill Rd. site 20 miles away.

He said the landfill owns a \$150,000 compactor, a front-end loader, and dozer. The landfill crew could go over and compact the clay when they weren't busy compacting garbage. He figures the

job could be completed by spring and the trucks sold to recover some of the money lost.

In the \$300,000 engineering estimate for the job, \$68,000 is included for engineering fees.

"I don't know where I need an engineer to tell me how many inches of clay to compact. The DNR requires 24 inches and they take test borings anyways," said Miller.

"The DNR has no objections to us hauling our own clay but they went to know when we're going to start. We have to start within 30 days. We must give the DNR an answer."

Miller said the contamination from the old landfill site is the only problem currently at the landfill. John Alford, of the DNR groundwater quality division recently inspected the landfill and other than the clay cap said the landfill looks the best of any in the area, Miller said.

## School Board Eyes Dec. 18 Date for New Building Vote

The Crawford AuSable School Board voted 4-0 to authorize the superintendent to prepare documents setting a Tuesday, December 18, date for a vote on a new middle school bond issue.

The board was considering a Sept. 24th date for a bond issue vote to build a new middle school in town near the Grayling Elementary, but moved the date back because of a law requiring a six month wait between votes on similar bond issues. Although the new proposal calls for an in-town site instead of an attaching middle school building to the high school, school board members did not want to risk having the two issues declared similar. The previous proposal to build an attached middle school to the high school was defeated in a June election.

Superintendent Kent Reynolds said the board is pretty much in agreement on bringing the new in-town proposal before voters, but will still be discussing the date for the bond issue vote. The board must go through two more steps to place the issue on a ballot.

Also at the special board meeting July 16, the school board discussed a petition circulating asking for a vote

on up to one mill for no more than five years to better maintain district schools and remodel the Grayling Middle School. The board felt remodeling would push barrier-free and new fire codes into effect and one mill a year wouldn't be enough.

The petition needs five percent of the registered

voters in the district or about 300 to 400 signatures to be placed on a ballot. The petition asks for a vote during the next general election to avoid the cost of a special election. One mill currently generates about \$150,000 to \$160,000 in tax money for the school district.

## Blood Bank at Legion July 25th

Please, you wonderful Crawford County Blood Donors, mark your calendars now! From noon until 6 p.m. And, remember, Dial-A-Ride, will come and get you at your home, take you to the Legion Hall and bring you back - WITHOUT CHARGE - if you come to give a pint of your precious blood!

Blood is always in short supply in the summer because of the good weather and vacations, but "down below" they are in serious trouble. Almost every southeastern Michigan hospital is having to delay elective surgery because of the shortage.

And strangely, the shortage is most severe in the most common blood types - A and O. In fact, the inventory of O positive at the Detroit Blood Service Headquarters dropped to 51 pints one day last week - about one tenth of the normal on hand supply!

Almost every blood donating facility in southeastern Michigan is open 24 hours per day, seven days per week, and local business folk are cooperating in every way possible to encourage their employees to give a pint.

Please, you wonderful Blood Donors, don't let that happen here! Let's make sure no elective surgery has to be postponed at Mercy Hospital because of a lack of blood.

## It's News Here!

### Flery Crash Kills 2

Two persons were killed in a car crash early Saturday morning, July 14, along I-75 North near mile marker 267. John Kamichitis, 51, of Madison Heights, was identified as one of the persons in the crash. The other victim's identity was not yet confirmed through dental records as of Tuesday noon. Sheriff deputies say the car left the expressway and struck a tree head-on. The car burned with the victims inside.

There were no witnesses to the accident which was reported shortly after 6:10 a.m. Frederic Twp. firefighters were called to the scene to put out the fire.

### Theft Charges Dismissed Against Nine Area Men

Charges of conspiring to steal scrap armored vehicles from Camp Grayling were dismissed June 29 in U.S. District Court in Bay City against six Grayling men, two Frederic men, and a Mt. Pleasant resident.

The charges against James R. Wakeley, David G. Piehl, Juell B. Joseph, Duane L. Hamblin, Dennis S. Palmer, and Edwin Papendick, all from Grayling, Gordon R. Joseph and Juell L. Joseph, of Frederic, and Phillip Lennert, of Mt. Pleasant, were dismissed on a motion by the assistant U.S. Attorney.

The official reason listed for dismissal of charges was because of pending further grand jury action and the U.S. Attorney's office said more time was needed by the government for investigation.

The U.S. Attorney's office said a dismissal of charges is a routine action when time limitations for court cases can not be met after charges have been filed. The Attorney's office could not say whether any of the nine men would be charged again.

### Milltown Children's Parade July 25

The children's parade for Milltown Days will be held Wednesday, July 25th.

Line up will be at 1:00 on Chestnut St.

The parade route will be down Michigan Ave. to Norway St. Anyone wishing to participate may call R. Duley at 348-9214.

## Return to Yesteryear Kicks Off Milltown

The Grayling Milltown Festival will kick off Tuesday with a step back in time 100 years at Hillside Farms with a "Return to Yesteryear."

More than 15 persons will be displaying traditional arts and crafts at Hillside Farms and most of the demonstrations will feature colorful costumes from the era.

The Grand Traverse Metis muzzle-loading group will also hold a muzzle shoot Tuesday at Hillside.

Among the demonstrations will be Carl Hatfield making soap over an open fire, Gale Edwards working with herbs in the country kitchen, Kathy Hickey weaving baskets, Jill Wyman and Winnie Riddle quilting, Jim Adams operating a tin-type photograph studio, Judy Craft tote painting, Rusty Gates fly-

tying, Denise Owens spinning wool, and there will be a blacksmith on hand and an old-time veterinarian attending the farm animals.

There is no admittance fee to the farm or any of the activities. Hillside Farms is

located off Sandy Trail past the intersection of Stephan Bridge and M-72 East. Dial-A-Ride will be operating bus tours to the farm all day long.

## Recreation Millage Includes Funds For Hanson Hills

Hanson park, Michigan's first ski park, was organized by citizens of Grayling as a winter recreation area during the late 1920's. Included in the facility was downhill skiing, skating, ski jumping and tobogganing. For many years, the park was one of the most popular winter spots in the state.

People from downstate were transported to Grayling by "Snow Train" during the ski season. The trains were met by local delivery trucks who transported the people to the park for a day of winter fun. And the end of the day, they were returned to the train for the return trip back

66-YEAR REUNION - Three sisters, Florence Austin Vradenburg, of Grayling, Bernita Austin Ehlert, of Jasper, Florida, and Ruth Austin Bohrer, of Howell, Michigan, (left to right) were united for the first time in 66 years last week in Grayling. Their parents died when the children were young and Ruth, 77, and Florence, 71, were raised by aunts and uncles while Bernita, 69, was adopted. Bernita never knew she had sisters until Florence recently found information about her in their home town of Milford and sent Bernita a Christmas card. Although Bernita was only three when the family was separated, Ruth said she immediately recognized her despite the 66-year interval. (Photo by Jon Thompson)

## From Our Corner...

What a mess...

The storm Tuesday night flooded the front part of the Avalanche office along with other stores on Main Street when over four and a half inches of rain was reported by city officials fell on Grayling in possibly the worst rainstorm to ever hit the area...

We have always been protective of the bound files of the Avalanche which we have had made each year...in fact we have two bound files of each issue for that particular year for the archives for the history of Crawford County...fire has always been our concern as we remember back shortly after World War II and we had went to work for the Herald Times in Gaylord when we had came to Grayling for a weekend to spend with Thelma's folks and on our return on Sunday night the newspaper building was burning...just about all of the files were destroyed by fire or water...

We returned to Grayling and started to work for the Strongs at the Avalanche and have been here since...the reason for the two bound files is that one is given to the Crawford County Library in case that the ones at the paper were destroyed there would at least be a record some place, and there is no better place for research than a library...

This practice was started a long time ago, due to the fact that two files were burned when they were loaned out to a person and they took them home and they were destroyed in a house fire...that accounts for the 23 years ago in the Avalanche instead of 25 years ago...some of the files of the Avalanche at the library have been put on micro-film so they will last...paper in due time becomes brittle and is easily torn...hopefully in time all the volumes could be on micro-film...

Our mess Wednesday morning was that all of our bound files got water damage when the water came under the door and soaked the carpet where we have been keeping the files for easy access to them when people wanted to look up things...at the present we don't know if they will be salvageable to the extent of letting people leaf through them...we will have to wait until they are thoroughly dry to know...we really never have thought about the files being damaged by that much water coming in the building...I guess you have to be prepared for anything...we remember growing up in Northern Michigan and never thought of Tornadoes...now they're prevalent in Michigan...

Not only is northern Michigan prone now for tornadoes, it also has its share of violent crimes that were mostly in the metropolitan areas in southern Michigan...we were in Traverse City for the weekend and around 5:30 a.m. Sunday morning a young 20 year old man was murdered by two men who had held him up in the Shell station and Mini Mart that is open 24-hours a day...the suspects had taken a little over \$200 and had left only to return in a couple minutes and reportedly shot the young man six times and fled with another suspect waiting in the get-away car...we mention this because the place where this happened is just about 1/4 of a mile down the street from where John and Toni live, and we heard all the sirens that morning but thought it was either a fire or a bad automobile accident...never dreaming it was murder...

Irvin, our ol' retired railroad conductor friend finally surfaced last week for the first time since he has been able to spend most of his time on the links...as usual he had a few words of wisdom to pass along...and we did notice he is back to one of his favorite jobs...selling tickets...these are to help out the Milltown Festival committee...he did mention that if he had known how much fun it is to be retired he would have done it when he was sixteen years old...

This about takes care of this week's efforts...just can't seem to come up with anything else to help fill this space so, will bid T.J., Stefany and Amber goodnight, and to all of our readers, plan on spending some time in Grayling next week during the Milltown Festival...fun for everyone from Tuesday through Sunday...

### OUR STATUE OF LIBERTY

About a year ago, my wife Donna and I had the unique privilege of visiting The Statue of Liberty in New York harbor. We shall never forget the awe of seeing the glorious, proud lady at a great distance through the mist. As we boarded the ferry and passed Ellis Island, the immigration station where our early ancestors were processed, We sensed the great joy and anticipation they must have felt several generations ago. As the ferry approached Liberty Island, it was a unique experience to view the noble lady holding up the great torch of liberty in her right hand; to see the Declaration of Independence in her left hand; and to know that a broken shackle lay at her feet symbolizing the overthrow of tyranny.

We hurried from the ferry to make our way to see her from inside. It was one of the thrills of a lifetime, on that hot July morning, to climb the 168 steps up the steep, spiral staircase to the crown. Having seen the outward beauty, our gratitude for this gift of the French people increased, as we realized the awesome amount of work necessary to build the massive steel frame.

Leaving the inside, we walked around to the tablet in the front pedestal where the poem "The New Colossus", written by Emma Lazarus had the following words inscribed:

"Not like the brazen giant of Greek fame,

With conquering limbs astride from land to land; Here at our sea-washed, sunset gates shall stand

A mighty woman with a torch, whose flame Is the imprisoned lightning, and her name Mother of Exiles. From her beacon-hand

Glowed world-wide welcome; her mild eyes command

The air-bridged harbor that twin cities frame.

"Keep ancient land, your storied pomp!" cries she With silent lips. "Give me your tired, your poor,

Your huddled masses yearning to breathe free, The wretched refuse of your teeming shore. Send these, the homeless, tempest-tost to me, I lift my lamp beside the golden door!"

This short visit made it more meaningful to "pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all." It is great to be a God-fearing American by birth, by choice, and by fervent conviction. "God Bless America, Land That I Love." God is the source of all Liberty. (adv.)

Editor  
Crawford Co. Avalanche  
Grayling, MI 49738

Dear Editor:  
Recently there has been an increase in night helicopter training at Grayling Army Airfield. The Camp Grayling staff being cognizant of how important good relations are between the military and the local citizenry realize this training is a cause of local concern. We believe information is the key to cooperation and communication.

The night flight is part of a night vision goggle (NVG) program. The course of instruction teaches the flight crews how to fly using specialized goggles. There has to be a total absence of sunlight for these goggles to function properly. During the summer months at Grayling this means NVG training cannot begin until after 10:00 p.m. To get the required flight hours for the Army's prescribed course of instruction requires two two hour blocks of instruction. Therefore the first period does not end until about midnight. After a short break for refueling, the second period generally starts and extends to about 0230 AM.

The flight crews have been instructed to plan all approaches and departures from the center of the airfield to reduce the noise caused by their night training. Every effort is being made by the flight crews to minimize the problems their training is causing. But with the hot, humid weather of July, these efforts have not been very successful.

In our attempt to maintain the good relations between the local populace and Camp Grayling, our staff would like to offer any interested group of citizens an educational program that fully explains the night vision goggle program.

Thank you for your patience on this matter.

Sincerely,  
Joseph M. Meredith  
MAJ AV MI ARNG  
Aviation Staff Officer

## Local Woman's Grandson Killed

Dennis Robertson, 22, of South Haven, was killed on Friday, July 13, 1984, while crop-dusting blueberries near South Haven. He is the son of John and Lee Robertson of South Haven and the grandson of Ruth Robertson of Grayling.

Dennis was a student at Kalamazoo College and also helped his father in Robertson's Crop-Dusting Service. He had been flying for 5 years and expected to get his commercial license the day he was killed. Survivors, besides his parents and grandmother, are a brother, Danny, a sister, Kristin, and grandparents, Mr. and Mrs. Crosley Brownson of Chicago.

Funeral services were held Monday, July 16 at 10 o'clock at Calvin Starks' Funeral Home in South Haven with interment at Lakeside Cemetery, South Haven. Those attending were Mrs. Robertson, who was accompanied by Mr. and Mrs. Joseph Stripe, Dr. Eddie Robertson of Bartelsville, Oklahoma, Rev. Joe Robertson, of Port Huron, and Sylvia Krausz and family of Portland, Michigan.

## Dies Sunday

Mrs. Wilfred Ziegler learned of her brother-in-law John Driscoll's death Sunday morning, husband of Helen (nee) Taylor at St. Stephens New Brunswick, Canada. He was former Mayor and custom inspector at the border of Maine and New Brunswick. Funeral mass will take place Wednesday.

## Services Held For Harold V. Stark

Harold V. Stark, 79, of Mio, died Friday, July 6, 1984 at the AuSable Valley Nursing Home in Fairview after a lengthy illness.

He was born December 11, 1904 in Mio and lived in Mio most of his life. He was a member of the Mio United Methodist Church, I.O.O.F. Lodge 413, F & AM Lodge 596, Mio O.E.S. Lodge 528 and the Bay City Consistory.

Funeral services were held Monday, July 9 at 11:00 a.m. at the United Methodist Church in Mio, with Reverend Dave Diamond officiating. Burial followed in the Luzerne cemetery.

Mr. Stark is survived by his wife Marguerite, 2 daughters Nancy Leary of St. Joseph, Linda Marshall of Mio; 3 sons John Stark of Alaska, Gary Leslie of Grayling, Don Leslie of Mio; 1 brother Wayne of Mio; 14 grandchildren and 3 great grandchildren. Mrs. Stark was the former Marguerite Feldhauser, daughter of Paul and Edna Feldhauser, of Grayling.

### State Employees Not Lobbying When Giving Information

Warren M. Hoyt, Executive Dir., MPA

State department employees who supply requested information before legislative committees are not lobbying and do not have to report their activities, Attorney General Frank Kelley has ruled.

The question had been raised by legislators concerned that interpretations of the lobby law was impeding the budget process because of reluctance of department employees to subject themselves to possible penalties for failing to submit reports required under the lobbyist registration act.

Kelley said the law was intended to cover state employees who engage in lobbying, and the language does make the terms susceptible to interpretations requiring reports when information is requested because the employee would be influencing legislation.

But he added, "It is readily apparent that such a literal construction of the statute would lead to absurd and unjust results and would prejudice the public interest. In order for the Legislature to properly exercise its constitutional authority to appropriate funds, it must receive certain information from state executive departments."

Thus, he said when an employee is merely responding to a request, the employee cannot be considered lobbying.

But, he emphasized that when an employee appears before a committee or subcommittee not at its request, the action would be considered lobbying and the employee

would become subject to all the reporting and registration provisions of the act.

#### Marijuana Use Not Subject To Privacy Rights

The constitutional right of privacy does not include the right to use or possess marijuana, the Michigan Court of Appeals ruled unanimously.

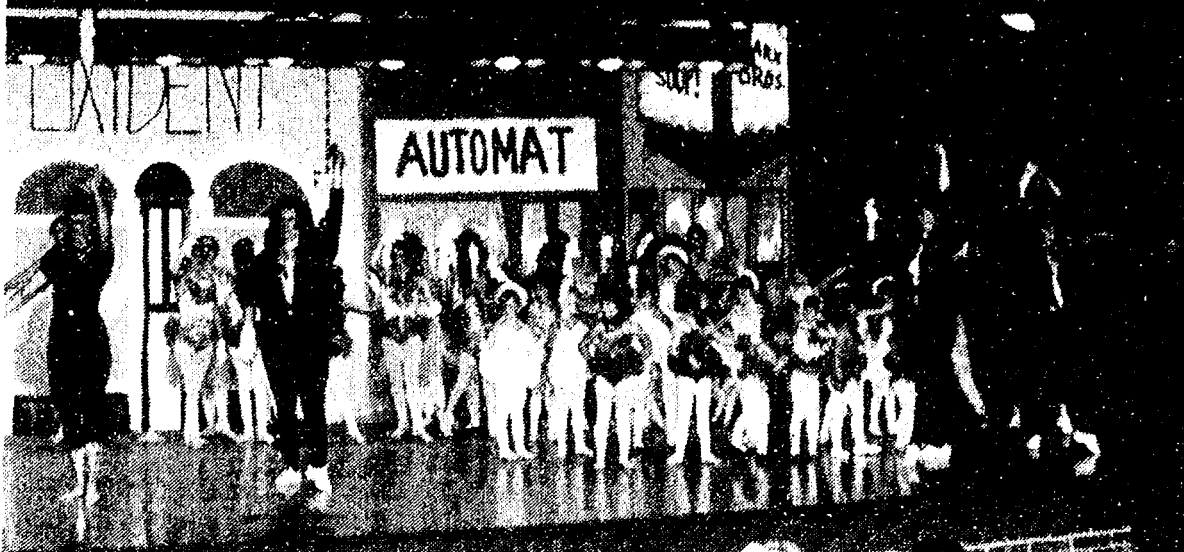

The decision — in People vs. Williams — affirmed the Manistee County Circuit Court conviction of a man for possession of marijuana.

Ricky Williams argued that state law prohibiting possession of marijuana unconstitutionally infringed on his right of privacy.

Before the circuit court, he argued the law violated his rights under the Ninth Amendment to the U.S. Constitution, guaranteeing that the enumeration of rights in the Constitution does not "deny or disparage others retained by the people," but he dropped that argument before the appeals court.

The appeals panel, Judges Barbara MacKenzie, John Gillis and John Fitzgerald, said no other Michigan courts had addressed the issue, and rejected an argument from Williams that it adopted a privacy right for using marijuana that was adopted in Alaska.

Instead, the court adopted a standard set by the Washington Supreme Court, which held there was no privacy right to possess or use marijuana.

**ARTS COUNCIL RECITAL-BALLET** — The Crawford County Arts Council finished its first regular season of dance classes with a recital and ballet at Joseph Stripe Auditorium on June 22nd and 23rd. Following dance routines performed by students at the different levels, students performed & danced "Snow White." The program was presented under the direction of Louise Hayes and Jini Hindmarsh with much help from other volunteers. Summer classes for children and adults are being held at the Arts Council Center in the Mini-Mall in Grayling. Photos by D. Sopsack

### Frederic Fire Dept. to Sponsor Bike-A-Thon

The Central Regional Office of St. Jude Children's Research Hospital announced today that the Frederic Fire Department has accepted the responsibility of chairing our 1984 Bike-A-Thon in Frederic.

St. Jude Children's Research Hospital was founded by entertainer Danny Thomas. The institution opened its doors to the public in 1962 to combat catastrophic diseases which afflict our children. St. Jude Hospital is non-sectarian, non-discriminatory, and provides total medical care to over 4,200 patients.

At St. Jude, scientists and physicians are working side by side seeking not only a better means of treatment, but also the causes, cures and prevention of these terrible killers.

All findings and information gained at the hospital are shared freely with doctors and hospitals all over the world. Thanks to St. Jude's, children who have leukemia, Hodgkin's disease, sickle cell anemia, and other child killing diseases now have a better chance to live.

The event is dedicated to "Jamie". Jamie is from Ohio and was diagnosed with leukemia in May of 1983, and began treatment at St. Jude Children's Research Hospital. Today, her cancer is in remission and she is doing quite well. Jamie is a living example of the progress and success of the research, patient care, and educational programs of this internationally recognized hospital.

We sincerely appreciate the concern that the

Frederic Fire Department has for our work and we hope the citizens of Frederic will support the Bike-A-Thon this fall to help provide the funds that are needed to preserve the world's greatest asset... "Our Children."

## New Pastoral Assignment

Rev. Larry Evoy, pastor of the Grayling Free Methodist Church for the past three years, has accepted a call to the Titusville, Pa. Free Methodist Church effective August 12, 1984.

According to word received from William Fox, superintendent of the Oil City Conference of the Free Methodist Church in Penn-

sylvania, the call was extended to the Rev. Evoy due to the resignation of the pastor of the Church there as of July 1 in order that he might enter the full-time Evangelistic field of Ministry.

The Grayling Church has expanded its enrollment, membership and financial base substantially during the time of Pastor Evoy's stay.

Plans are currently formed up to enlarge the property by purchasing a lot on the eastern border of the M-72 property, and schematic drawings are completed for building expansion on the west side of the present building.

The new challenge of the Titusville Church not only includes that of ministering to one of the largest congregations of the denomination in the east, but also expansion plans of a two-level Education/Fellowship unit and additional property about to be purchased.

Pastor Evoy states: "We looked forward to coming to the Grayling community three years ago with great anticipation to be living and working among the fine congregation in the Church and being among citizens of a warm-spirited, progressive community. We will always feel that our lives have been richly enhanced during our stay here." The incumbent pastor will be appointed to Grayling on August 4.

A Fellowship/Farewell time for the Evoy family has been set for Sunday, July 22 at the Church on M-72 West. Community friends are invited to stop by from 4:00-5:30 p.m. The Church family will hold a salad buffet beginning at 6:00 p.m.

## Announce Marriage

Dale Pettengill and Clara Erickson, both of Grayling, were united in marriage on June 17, 1984, in Westland, at the home of her daughter and husband, Mr. and Mrs. Jay Orcutt.

On June 30, Clara and Dale held a birthday celebration for her birthday with 48 members of the Pettengill and Erickson families and a few friends attending.

I HAVE BEEN IN LAW ENFORCEMENT  
OVER 31 YEARS,

City of Grayling and Crawford County.

The following are a few of the programs I was able to  
initiate when I was Sheriff, 1973-1976 (with the help of others)

- ★ The Auxiliary Deputy program (Res.)
- ★ The Auxiliary Ambulance Division
- ★ The Law Enforcement Intern program with Kirtland Community College.
- ★ And the Junior Deputy program. (4th Grade)

There will be very few, if any signs and posters on street corners but that does not mean that I am not campaigning and serious about the election. I just don't think the signs and posters do much to beautify the community. Should there be any put up, they will be taken down the day after election, win or lose.

The Primary Election is on August 7th, be sure to Vote.

## Candidate For Grayling Twp. Supervisor

Larry E. Grant has announced his candidacy for the position of Grayling Township Supervisor on the Democratic ticket in the August 7th primary.

Grant, along with his wife Marjorie and two children, has been a resident of Grayling for the past 8 years, and is currently employed with Schmidt Inc. as a heavy equipment operator.

After serving in the U.S. Navy, Larry served as a full time fireman (with budget responsibilities) for ten years.

Among other credits, Mr. Grant holds a degree in fire engineering, and has been a long time member of the Masonic Lodge.

Also, he has served on the Zoning Board of Appeals.

Larry will bring to the position - past experience, strong leadership, hard work, and dedication to continue to make Grayling Township a good place to live, work, and enjoy. He feels that these things can best be accomplished through strong leadership, and a steady but controlled growth.

## Les Powers Candidate For District 2

Lester K. Powers announces his candidacy for County Commissioner for District 2. Powers is a Republican and has 40 years in business as a contractor. He has corporate experience, been involved in management, budgets, labor, cost control, has a good educational background and will do what is best for citizens of Crawford County.

## Bits . . . . . by Fay

Mike Gardiner spent three weeks in California. He visited his sister, Mary, and also drove to Yosemite, Marin county, and San Diego to visit friends and go sight-seeing.

Mrs. Tressa Stephan and Mrs. Pat Fowler were in Detroit the last week in June where on Thursday night they met 8-year-old Nicole Ney, daughter of Mr. and Mrs. Rodney Ney (Gail Fowler) of England, at Metro airport. They stayed overnight and the next night met Alison Stephan, daughter of John and Susan Stephan of Alaska, also at Metro. The girls are spending the month of July with their grandparents. Alison will return to Alaska on July 27 and Nicole to England on August 3. The family of Tressa Vallad Stephan including her brothers and sisters and their descendants, 45 in all, came the weekend of July 7 for a family reunion. They camped at Tressa's. They were from Charlotte, Ionia, Alto, Kalamazoo, Atlanta, Georgia, and Lansing.

Art Thayer's nephew and his wife, Mr. and Mrs. Bill McCullough camped at Lake Margrethe and visited his uncle and family.

Henry and Janice Wylie of Oliver, British Columbia, Canada, were in Grayling for several weeks visiting friends and relatives. They visited Mrs. Marge Morency and Mrs. Doris Bruening while here and in Lansing visited Charles and Margaret Wylie as well as stopping to see Scotty and Ione Wylie in Crystal.

Guests of Carl and Rose Hatfield for the month of July are her nephew, Jean Pierre Genet and friend, Francoise Grossemey, from near Paris, France. Jean is with the French rugby team and had played four games since June 27 with the team in Montreal, Quebec, Boston, and New York City, which they won, before arriving in Traverse City where they were met by the Hatfields on July 9.

## Strolling Around Town

Progress is supposed to be change for the better. Michigan Avenue (or Main Street as it's commonly referred to) has progressed, I suppose, with the demise of the old Avalanche building. For those of you who saw it leave, with a touch of sadness, is it really a change for the better? After the fire, I know there was not much left of it, but it stood as a symbol of the old Grayling for so long that it's like parting with an old friend!

There is much progress going on at Norway and M-72 West these days. Dave Wyman has his new office building up for DuBois Lumber and Chicken Delight has an attractive corner planting as well as a new cement drive being put in. The Raymonds at R & H Sports also have flowers along their building.

Grayling Pharmacy and the Hair Station have their planters well filled and on the South Business Loop the Pizza Hut has a large new planting that looks very nice. Grayling is becoming a much more attractive city for the tourist's first impression.

In the north end of town, several streets will be having new sewer and water lines. We expect to see new curbs and gutters and blacktopping there this summer too. We'll let you know more.

## THANK YOU

A big thank you to Deputy Boerema for finding my bike in such a short time. Thank you.

Eric Poll

## Mike Delp To Present Reading of His Poetry

Local writer Michael Delp will present a reading of his poetry on Friday, July 27, at 7:30 p.m., in the Crawford County Arts Center.

Delp, a graduate of Alma College, has taught English, science, alternative education, and advanced studies for the Crawford AuSable School District for 13 years. In the fall, he will assume the position of Director of Creative Writing at Interlochen Arts Academy.

Mike Delp has had numerous poems and works of fiction published in regional and national jour-

nals, magazines, and anthologies. Local people have read his articles and column "Up North" in the Crawford County Avalanche. He has presented poetry readings throughout the state, and has received several awards and prizes for his writing.

The Crawford County Arts Council welcomes all members of the community to attend this evening of poetry by Michael Delp. The reading will be followed by a wine and cheese reception, also to be held in the Arts Center. It is located at the west end of the Grayling Mini Mall, on the South I-75 Business Loop.

### Harland Seeks Re-Election

The county today is the most powerful, expansive and inclusive form of local government. That it is the oldest, has long since been established.

There is a universal awareness of its expansion from the old courthouse days when county government was conducted by less than a half-dozen constitutionally-elected officers and a circuit judge.

Almost every phase of government, economics, commerce, industry, public service, health and welfare are intertwined in its fiscal operations.

All of which points to the need for some form of county-manager type government under the direction of the county commission.

While all of this is going on, there must necessarily arise parochial opposition. Not a few of the little "kingdoms" set up in the fledgling days of our nation still function, but their purpose has been considerably diluted. They will go by the wayside, but the change won't come easy — as your candidate for District 2, I will do my best to provide the best for your tax dollars.

Mary Elaine Harland

### Candidate For 103rd State Rep. Seat

Jonathan Kurtz, 33-year-old Oscoda County Clerk, formally announced today that he is a candidate for the 103rd State Representative seat on the Democratic ticket.

Since his election to the office of County Clerk in 1980, Kurtz also serves as clerk to the 23rd Circuit Court.

He holds a Bachelor of Science degree in Public Administration from Ferris State College, and has worked the better part of his life serving the people. He has been an aide to Secretary of State Richard Austin, served with the Oscoda County Sheriff's Department, and was a clerk with the Oscoda County Road Commission.

Kurtz was born May 30, 1951, in his Fairview home, and he and his wife Beth, a hospital pharmacist, now make their home in the same community.

"I believe it is time we give our local governments a voice in Lansing," Kurtz said, "so we can build and plan our future together — as a region."

"I intend to represent workers, senior citizens, the small business owner as well as our region's unemployed," he said. "When it comes down to it, that is all anyone can promise the people of the State of Michigan and the District."

### Alumni News

We commend the committee that made the selection of Elmer Fenton... "Outstanding Citizen of Crawford County". He's one of us. We honored him when he retired from G.H.S.

This is a bit of "Trivia" on Elmer... (he is always pulling that on the rest of us.) He is a school drop-out who made good. He dropped out of school from '23 to '26 to work. His family was not affluent. He returned to school in the Fall of '26 and graduated June '28. Enrolled at CMU in '30 and after 4 terms had to drop out for lack of money, went back in '38. He got his degree in '41. Elmer taught in Newago and Rockford before returning to Grayling in '49, to teach at G.H.S. Got his Masters in '57... appointed Principal in '58 and retired in '70.

It is a remarkable story, isn't it? He has had retirement time filled with the History of our community, in and out of the Hospital to see his favorite nurses, caring for Margaret, his wife of 45 years, enjoying his grandchildren. Who can match it?

We are proud of Elmer Fenton. He gave a lot to us... we now give back to him... Thanks.

Clara Sorenson  
 We take nothing from any other candidates, but it is like we say... he is a good choice.

### Youth Service Bureau

Wet and Wild! Those are the two adjectives that best describe last week's Recreation Program. On Monday, we took a group of youth down the beautiful AuSable River. Our group traveled from Ray's Canoe Livery to Burton's Landing. We didn't tip a single canoe, but between splashing and swimming, everybody got wet. The kids enjoyed the trip and the picnic.

Our Tuesday/Wednesday Camping Trip had to be postponed due to severe thunderstorms. The trip to Perry Lake has been rescheduled for July 24-25.

We did manage to take a tour of Hartwick Pines State Park and played a Marathon Softball game. (girls 27, Guys 26). A real pitcher's duel!

Last week's Open Recreation consisted of a tour of Grayling Mercy Hospital and a Gun Safety Workshop at the Grayling Sportsman's Shop. There were no casualties.

This week's thank yous go out to the nice people at Ray's Canoe Livery, Renata Champion of Mercy Hospital, and Dick and Dennis Mansfield of the Sportsman's Club.

Next week's Recreation schedule includes:

Hiking on Monday - Bowling on Tuesday - Miniature Golf on Wednesday - and Swimming on Thursday, all starting at 10 a.m.

We would also like to thank Crawford County United Way Fund for their continued financial support of our program.

### Doodles From The Tall Timber

Wendell L. Hoover  
Park Interpreter

Some Park visitors initially have a problem determining which of our small native rodents is a Chipmunk and what is the Gopher. The gopher or Thirteen-lined Spermophile is commonly seen in the day use area. This small relative of the squirrel is conspicuous because of alternate longitudinal stripes on its neck and back which are broken into spots. The ears are nearly invisible and the tail is short, to say the least.

Mating takes place as soon as they appear above ground in April or May. Some seven to fourteen young are born in thirty days. The young are out of the den in a month and full grown in ninety days. With such large litters, it is a good thing that only one litter is raised a year.

They feed upon plant and animal matter and can be a problem for small ground-nesting birds, mice and insects. They have a host of enemies other than man since they are preyed upon by hawks, cats, weasels and snakes. Since they hibernate, they pose no danger to stored grain crops. When they are active, the pulse rate is between two hundred and three hundred and fifty per minute, but when in hibernation, it drops to five per minute.

### Graduates With Honors

RaeAnn Swanson, daughter of Gary and Pat Swanson of Osceola, Florida graduated June 6th in the top 5% of her class, she will attend St. Petersburg Junior College on a full two year scholarship and was also awarded a \$500.00 scholarship from Kiwanis Club of Seminole.

During her senior year she was Vice-president of the senior class, President of the Key Club and the Spirit Club, and a member of the National Honor Society, and Student Council, and participated in the Miss Teen of Florida Pageant.

She received awards for excellence in writing, Foreign Language, Outstanding Key Club member and the Principal's award.

RaeAnn is the granddaughter of Mr. and Mrs. Charles Williams, and Mr. and Mrs. Roy Swanson of Grayling. Attending the graduation were Sammie Williams, her grandmother and her aunt and uncle, Mr. and Mrs. Lewie Stinson and boy's of Cadillac.

Grayling, MI 49738

Dear Mr. Madsen:

It would be extremely unfortunate if the Dial-a-Ride service were lost due to the defeat of the .75 millage increase. The employees, visitors and patients of Mercy Hospital have come to rely very heavily upon the Dial-a-Ride service.

The Dial-a-Ride bus stops at Mercy Hospital on the average of 20 to 25 times per day. There are five employees who use the service daily to get to and from work. In January, based on the Dial-a-Ride records, the buses made an average of 32-stops per day at the hospital. This included individuals who came to the hospital for out patient services. Some of these patients require the handicap lift equipment

available on some of the vehicles.

What will happen to the hospital employees who have no other means to get to work than the Dial-a-Ride service? Or the senior citizen who cannot drive and comes to the hospital to visit a spouse or relative? Or, worse yet, the handicap person who must get to the hospital for treatment and has no other means available.

It is my understanding that a .75 mill renewal would only amount to a tax of \$15 per year on property with a State Equalized Value of \$20,000. Realizing that modest taxes may build up to excessive taxes, isn't it a reasonable price to pay for transportation convenience to so many? It's easy for those of us who have an automobile and can drive to forget how isolated and forgotten a person can get who has no means of transportation.

Dial-a-Ride is a convenience Grayling cannot afford to lose. We have an aging population who needs this service and a growing population who is funding it more practical than owning an automobile. Such transportation is a valuable asset, especially to a community growing and trying to attract new business.

Sincerely,

Deryl D. Holmes

Director of Public Relations

Dear Whitey:

When I was driving home Monday I came North Down River Road, and what I saw I did not appreciate. There was a National Guard jeep in front of me, they threw out a can then a small plastic bag, also some papers.

I love Grayling and I'm proud to be part of it and I hate it when I see this happen. It's not just the guards. Why do people have to clean their car or jeep out while driving down the road? Our roads would look much nicer if they cleaned them out at home.

Gary Fox, of Grayling, and Doug Ryckman, of Houghton Lake, won the 1984 St. Germain-Hayes annual 2-on-2 basketball tournament held July 14 at the Grayling Middle School.

In the double elimination tournament, the champions bounced back from a 22-20 marathon game loss to John Juntilla and Bill Roach and won the final game against Juntilla-Roach 7-5.

Fox and Ryckman cruised to the finals defeating Jerry Madsen and Bob Madsen 7-4, Joe Thompson and Jon Thompson 7-4, Jamie Radebaugh and Pat Thompson 7-4, and Juntilla and Roach 7-4.

Juntilla and Roach earned their way to the finals by defeating Scott Hamlin and Jim Stewart 7-4, Wayne Ross and Dave Zigla 7-4, before losing to Fox and Ryckman 7-4. They beat Brad Trenary and Louie Madill in the finals of the losers bracket 8-6 before playing Fox and Ryckman again in the finals.

**Crawford County Board of Commissioners**

June 25, 1984 — Regular Meeting  
SYNOPSIS

The June 25th meeting of the County Board convened at 9:30 a.m. All commissioners were present but Miller; and five visitors attended at various times.

IN FORMAL ACTION, THE BOARD:

—Accepted the June 12th minutes with one clarification.  
—Reviewed and accepted 17 pieces of correspondence.  
—Approved payment of \$125.00 to D & J Auto for patrol car repairs.

—Authorized the purchase of three freezers for the jail at a cost of \$1,113.00; and holsters for deputies for \$988.50.  
—Approved payment of a \$1,065.00 bill for fish food for the Hatchery.

—Approved a \$50.00 registration fee and line of credit for the Clerk/Register to attend the Register of Deeds Conference in August.

—Increased the 1984 salary of the District Judge by \$470.00 in order to retain the Judge's standardization payment from the State.

—Approved a line of credit for Commissioner Harland to attend a MAC Conference June 29th.

—Concurred with the Commission On Aging in its action to seek continued NEMCOA funding for senior programs in 1984-85.

—Executed a \$15 thousand Assessing Contract with the City of Grayling for 1984-85.

—Authorized the Equalization Director to refill a vacant assessor's position; with hire to be effective after August 1st.

—Adopted a resolution supporting Consumer Power Company's efforts to continue the Midland nuclear project.

—Denied support to Senator Levin's efforts to make Camp Grayling a Light Infantry Division Post.

REPORTS & ANNOUNCEMENTS:

Commission On Aging: By Laws have been amended; and the State's Code of Ethics adopted. A personnel policy is being drafted; interviews were conducted for a cook; and negotiations are underway for space at the City Housing Commission complex. Positions for four additional C.O.A. members and a permanent project manager will be advertised. Ownership of buses has been determined; monthly bulletins are back in publication; and a millage renewal will be requested. Priorities are to secure space in the Housing Commission complex, and to continue programs.

—Roads & Bridges: The road engineer is seeking additional maps for use in resolving duplicate road names.

—CoPoCo: The Postmaster has indicated that a dual address system should be considered; and has requested a Board resolution to initiate the Consumers Power Numbering System.

—Labor: Negotiations with the F.O.P. have been rescheduled.

IN OTHER BUSINESS, COMMISSIONERS:

—Heard updates on activities of MI Northern Counties and various programs underway through NEMCOG. The EPA funding outlook is more promising than was anticipated.

—Reviewed, with the Equalization Director, rules of the Tax Commission and how they relate to the Headlee Amendment.

—Learned that four county departments are participating in the summer youth employment program through COOR, at no cost to the county.

—Heard brief updates on the Health Dept. and Soil Conservation.

—Raised no objection to Trout Unlimited participating in an erosion control project at the Wakeley Bridge landing site.

—Discussed, with Consumer Power Rep. Len Hootman, the problems faced by the company, and the impact on our tax base should the utility become a public entity. Consumers presently pays \$94 thousand annually in taxes to Crawford County. According to Hootman, any shut down of the Midland Nuclear Plant will result in bankruptcy for the Utility.

—Discussed the potential impact on the community should the Army make Camp Grayling a Light Infantry Division Post. Twenty six citizens expressed opinions on the issue - with 25 opposed and one in favor.

—Raised no objection to the ordering of six ceiling fans for the courtrooms and front vaults at a cost of \$130.50 each, plus \$15.50 for the controls.

—Learned that staff training has begun on the new computer. Meeting adjourned at 4:04 p.m.

Complete text of official minutes is available in the Office of the County Clerk.

Box 369, Boyne City, Michigan, 49712, has filed with the Federal Government a Compliance Assurance in which it assures the Rural Electrification Administration that it will comply fully with all requirements of Title VI of the Civil Rights Act of 1964 and the Rules, Regulations of the Department of Agriculture issued thereunder, to the end that no person in the United States shall, on the ground of race, color, national origin, or on the basis of handicap, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the conduct of its program and the operation of its facilities. Under this Assurance, this organization is committed not to discriminate against any person on the ground of race, color, national origin, or on the basis of handicap, in its policies and practices relating to treatment of beneficiaries and participants including rates, conditions, and extension of service, use of any of its facilities, attendance at and participation in, any meetings of beneficiaries and participants or the exercise of any rights of such beneficiaries and participants in the conduct of the operations of this organization.

Any person who believes himself, or any specific class of individuals, to be subjected by this organization to discrimination prohibited by Title VI of the Act and the Rules and Regulations issued thereunder may, by himself or a representative, file with the Secretary of Agriculture, Washington, D.C., 20250, or this organization, or all, a written complaint. Such complaint must be filed not later than 180 days after the alleged discrimination, or by such later date to which the Secretary of Agriculture or the Rural Electrification Administration extends the time for filing. Identity of complainants will be kept confidential except to the extent necessary to carry out the purposes of the Rules and Regulations.

Mr. and Mrs. Leo Post and Mr. and Mrs. Harry Souder entertained the Michigan group that winters in Gulf Shores, Alabama, at their annual summer picnic. It was held at the Knutilla cottage at Lake Margrethe on Wednesday, July 11. Those attending were Mr. and Mrs. Clyde Walters of Gaylord, Mr. and Mrs. Harold Ackley of Hastings, Mr. and Mrs. Bob Bebbe of Gaylord, Mr. and Mrs. Robert Hoyt of Gaylord, Mr. and Mrs. Gerald Swanson of Bear Lake, Mr. and Mrs. Veed Gilchrist of Luther, Mrs. H. Zuke of Opp, Alabama, Mr. W. Woodard of Marion, Mr. and Mrs. E. Evert of Mt. Clemens, Mr. and Mrs. M. Chappell of Traverse City, Mr. and Mrs. F. Marquis of Big Rapids, and Mr. and Mrs. Wayne Moyle of Flint.

All of the Dr. Henig family were together at their home on the AuSable on the weekend of July 6. Janie and Don Sawyer, daughters, Melissa and Farish, came from Salmon Arms, British Columbia, and spent some time here. They will return for another visit. His mother, Mrs. Carlton Sawyer of Birmingham, was also here. Coming from Traverse City was Gretchen Nelson, from Cadillac, Candy and Mike Monroe, from East Detroit, Claudia Pielack and daughters, Samantha and Elizabeth, from East Lansing, Bettina Henig and friend, David Boersma, and John Nelson.

Lee and Mary Langolf of El Toro, California are home for two weeks. They visited his family in Port Huron and her family, Vern and Evelyn Gardiner in Grayling.

**LANDMARK REMOVED** — A crew from Jack Millikin Inc. tore down the old Avalanche building in downtown Grayling last week safely removing the burned building. The Avalanche building was one of the original downtown Grayling buildings.

## Lovells News

by Ruth Caid

Mr. and Mrs. Jim Spencer visited relatives in Bowling Green, Ohio this past week.

Twenty five ladies of the community attended the Cherry County Playhouse in Traverse City on Thursday. All reported a very good time.

Guests at the home of Mr. and Mrs. Jim Kinsman were her sister and husband, Mr. and Mrs. Sam Erbes of Colorado.

Mr. and Mrs. Eddie Harwood and daughter Erin spent the weekend with his mother, Mrs. Margie Harwood.

Mrs. Susan Stalker and sons, Scott & Shawn of Saline spent the weekend with her parents, Mr. and Mrs. Bill Koerke.

The Cheerful Givers Club will meet Thursday evening at the club room at 7:30 p.m.

Friday, July 20th is Senior Citizen Day at the town hall. Blood Pressure at 11:30, Dinner at 12:00. If you plan to attend call 348-9495 for reservations.

Mr. and Mrs. Dick Best of Buchanan entertained at a family get together at K.P. Lake on Sunday. Out of town guests were from Three Oaks, New Buffalo, Gaylord, Midland and Grayling.

Mrs. Cindy Paquette and daughters Katie and Kari of Mt. Clemens are visiting her mother, Mrs. Margie Harwood and family.

Ferne Walser who now resides at the Masonic home in Alma spent a week at Shupac Lake. While here she celebrated her 85th birthday. An open house cocktail party was given by her daughter and son-in-law, Mr. and Mrs. Richard Dawson of Cadillac. Many friends from the Shupac & Lovells area came to wish her well. Mrs. Walser wore a corsage of red roses, white miniature carnations and baby's breath given by her grandchildren. A beautiful cake with the events of her life was served. The centerpiece was given by friends.

Ruth Caid enjoyed having her son Bud Caid and family from Three Oaks with her over the weekend.

## Serving On USS America

Navy Petty Officer 1st Class Thomas J. Allen, son of Douglas L. and June M. Allen of 878 S. Maplehurst, Roscommon, is currently deployed to the Mediterranean Sea and Indian Ocean.

He is a member of Fighter Squadron 102, based at Norfolk, Va., and embarked aboard the aircraft carrier USS America.

During the first three weeks of the deployment, the squadron participated in exercise "Ocean Venture '84," which took place in the Caribbean, the Gulf of Mexico, the straits of Florida, and the Atlantic Ocean.

The exercise helped to demonstrate and improve the capability of the U.S. to protect and maintain the free use of the sea lines of communication in the Caribbean Basin and the Gulf of Mexico. It involved over 30,000 U.S. military people from the Navy, Marine Corps, Army, Air Force and Coast Guard.

The squadron recently visited Malaga, Spain during a routine port visit.

downstate.

One of the most popular attractions of Hanson Park during the early days was the Toboggan Run. Two "shoots" came out of the warming house at the top of the hill where people boarded the toboggans. When released, the toboggans would descend the hill at a rate of up to 70 miles per hour. After their ride, the people were transported to the top of the hill by truck while the toboggans were returned via a conveyor system. Upon special occasions, members of the local community would astound on-lookers by riding down the hill while standing on their head.

During those early days, the highlight of the winter was the annual Winter Sports Festival, one of the first winter festivals in the state. During the festival, high ice thrones were constructed at Hanson Park for the Queen and her court. One year a replica of the Statue of Liberty was constructed of ice.

During the early 1930's a series of cross-country ski trails were laid out & marked, adding yet another dimension to the then well established winter recreation area.

There is little doubt that, during those early years, Hanson Park was a significant contributor to the Crawford County economy, literally bringing people by the thousands from down state. Most native residents who are 40 and older can recall how the park parking lot would be filled with cars and buses from down state. But times changed. Soon other winter recreation areas began to operate, and to offer bigger hills and more up to date facilities, in short, the modern ski resort as we know it today was born.

Slowly, the popularity of Hanson Park continued to decline until, it became basically what it is today, a place where local young people and families can ski economically. Providing a service, yes, but contributing to the local economy, no. For the past two years, Hanson Park has not been able to generate enough income to meet the expenses of operating the park. When the books were

closed on June 30 for the 1983-84 fiscal year, the park was in excess of \$12,000.00 in debt.

There are those within the Crawford County who believe that Hanson Park can once again become a viable contributor to the local economy. They believe that the park can once again become an attraction which will lure the traveling tourist to our community. They believe that the park can provide employment opportunity significant enough to make a substantial dent in our unemployment rolls. During the past three years, efforts have been made to return Hanson Park to a portion of its original popularity as well as a year-round recreation area. The cross-country trails have been re-established and a new grooming system created. The hills have been rejuvenated to provide economical down hill skiing. Summertime activities have been established, and many plans for future expansion have been investigated and deemed to be worthy projects which will cause Hanson Park to become that significant contributor to the local economy.

But before any of this can happen, Hanson Park must get to its feet financially. After pursuing many financial plans and possibilities, the Grayling Recreation Authority, the governing body of Hanson Park, has asked the Crawford County Board of Commissioners to place before the voting public, a proposal asking for one-half mill of tax money to support the park and recreation throughout the entire county. This proposal will appear on the August 7th primary ballot.

The proposed millage would cost the average taxpayer of Crawford County approximately \$10.00 (a home with a state equalized value of \$20,000) In return, the local taxpayer would be contributing to the growth of an economic entity which could provide the community with economical recreation opportunities for its residents, an increase in the amount of tourist dollars spent in Crawford County and an increase in the opportunity for employment in Crawford County.

Another successful Sunday Golf party was held on June 24 with about sixty people enjoying the afternoon of Scrambles when all golfers were required to hit from the men's tees. First place winners were Bob and June Schwarz and Vern and Edie Blaha. Second place was taken by Charlie and Liz Vajda and Carl and Gloria Nielson. Three foursomes tied for third and in the drawing Dick and Ann DuBois and Ken and Mabel Gothro were the winners. The unlucky foursomes were Bruce and Corrine Smith and Bernie and Donna Pottorff and Walt and Marti Nowak and Bill and Phyllis Scheer. Liz Vajda took the longest drive on 4 and Bill Scheer took the longest drive on No. 1. Closest to the pin on No. 8 was won by Dr. Schwarz.

Dinner followed with "bring your own steak" and the remainder of the meal prepared by the club staff. Bruce and Corrine Smith and Bernie and Donna Pottorff chairmanned the event.

In regular play on June 27 for the Wednesday League holes 3 and 8 were taken off the scores and the winners were Corrine Smith in Flight A with a 34, Mary Sidwell in B with a 42 and Evelyn Sager in C with a 48. Low net was won by Carol Thompson with a 34 in Flight A, Caroline Glaza and Mary Sidwell with a 39 in C. In Flight A, low putts went to Clara Beaufait, Shirley Bendig, and Evie Kent, all with 16, in B, to Phyllis Scheer with 14, and in C, to Jean Raab and Evelyn Sager with 15. Chip-ins were by Phyllis Scheer on No. 3 and Evelyn Sager on No. 6, while Shirley Bendig birdied No. 9.

In spite of threatening skies, many of the Wednesday golfers showed up but play was limited to the first 5 holes because of the unusual amount of rain the night before with water covering parts of the back four holes. The weather turned out to be beautiful and the women enjoyed the first five holes twice with the scores taken from the odd holes only. Shirley Bendig won in A Flight with a 30, Jeanne Thompson in B with a 37 and Faith Stripe in C with a 45. Low gross on the ten holes was won by Shirley Bendig in A Flight with a 63, Thelma Bateman and Mary Sidwell in B with a 62, and Ricki Stahl in C with a 74. Low putts went to Shirley Bendig with 14, Marti Nowak with 17, and Ricki Stahl with 15. Fay Bovee chipped in on No. 4.

Lunch was prepared by the club staff with fix-your-own-sandwiches & brownies.

In regular play for the Monday Night League on July 16, twenty-seven women were out for the evening. The most improved on ringers was Nancy Hoffman. Prizes were won by Kay Ellen Juntilla, Betty Stephenson, Donna Pottorff, and Marti Gosling. Chip-ins were scored by Sue Brenner on No. 8, Kay Ellen Juntilla on No. 8, Lucille Bagrosky on No. 1, Marilyn Reed on No. 6 and Louise Hatfield on No. 4. Kay Ellen Juntilla birdied on No. 8.

The Milltown Festival is almost upon us and this committee is certainly scurrying around finalizing details. Old Fashion garb is a must during the festival and for the evening stroll on Thursday evening, July 28th, beginning at 7:00 p.m. After the stroll, an Ice Cream Social and concert is planned to complete the evening. A used book sale at the Library for children and adults will be held on Thursday and Friday from 10:00 a.m. to 4:00 p.m.

On Tuesday, July 24th Hillside Farms "Return to Yesterday" will have twenty exhibits, including, the Grand Traverse Metis (Muzzle Loaders). The 4-H Leader Dog Group will have a concession stand at the farm and picnic tables will be available. Tuesday evening will find us dining at the Milltown Kick-Off Dinner at the Knights of Columbus Hall and then attending the W.Q.O.N. Milltown Street Dance. A full fun packed day.

Children's Day also will be fun filled for the youngsters. Beginning at 10:00 a.m. Clown Faces, Decal Face & Hands Painting in the City Park and Mother Goose and the Milltown Spelling Bee at the Library will complete the morning hours. The children's parade begins at 1:30 p.m. and is followed by games and contests in the park. Lunch will be available in the park. Children's Day is sponsored by the Grayling Promotional Association. Old time displays in the Historical Museum and Dial-A-Ride Bus Tours are scheduled for each day of the festival. The Quilt Show at the Icehouse will be held from Wednesday through Sunday from 10:00 a.m. to 5:00 p.m.

An E-I-O fest will be held from Thursday thru Saturday beginning at 12:00 Noon at the K of C Hall.

A Grand Opening-ribbon cutting was held last week for McBrides Cottages at Lake Margrethe, owned and operated by Tom and Catherine McBride. Two more grand openings are scheduled for this Thursday, July 19th. The first one Montgomery Ward, owned and managed by Bob and Sue McCurdy, has been moved to their new Michigan Avenue location. The ribbon cutting will be held at 11:00 a.m.

The second grand opening and ribbon cutting will be held at 2:00 p.m. at Goodale's Mini Storage in the Industrial Park. Many nice things are happening in our community that are so beneficial to each one of us that we should visit these places and welcome these new businesses. The chamber is very pleased and proud to add them to our membership.

### Your Week Ahead Horoscope

## BELLS

Have you ever thought about the importance of bells in your life? From kindergarten on, most of our movements are dictated by a series of bells—the chime of the clock, the peal of the school bell, the sharp ring of the telephone. We are conditioned to respond to these bells almost without thinking.

The most beautiful bells in our life are those that we hear on the Sabbath. We also hear them without thinking, but they are bringing the most important message of all—that God loves you. This week respond to them with your own love and join the other worshippers at your church or synagogue.

Saturday Numbers 9:15-23

## Editor's Mailbox

To The Editor:  
2,000 civilian jobs! Just the thought of it is enough to cause a community to jump with joy. More jobs, more money, more spending, additional homes, etc. Utopia! Grayling and Crawford County, blessed at last; or so the Army and business and civic leaders would have us believe. Some of us are seriously questioning if the ends justify the means however, and some of the questions are....

Will citizens of Crawford County qualify for these jobs? Are the jobs civil service only? Are the jobs hit-tech? How many will be pre-assigned to infantry divisions family members?

What impact will 35,000 additional people have on Grayling and the greater Crawford County area? If 2.5 people accompany each infantry person, does this equate to one wife and 1.5 children? If so, how many of the 1.5 children will be school age, all 15,000? Let's say half, or 7,500. Will our present schools and staff be adequate? Where will all the people live, on base? While not likely, if they did, would they send the children to Grayling schools? Who would pay for the additional space and teachers? Rumor has it the Government would build new schools. Do you really believe that? It's most likely taxes will go so sky high, even those with children and wanting new schools couldn't afford it.

If the people do not live on base, where will they live? If they choose not to live in Crawford County, where will all the profits go? If they do, will new homes be available in time? Will it be privately held property or government owned? We've all seen base housing; do you want that in Crawford County? Remember, a permanent base is not permanent. People come and go every two to four years. Do you think they will care about Grayling and Crawford County as you do?

Will the base require additional land? If so will it take much needed taxable land and cause Crawford County to be even more tax poor? Will the vacation home/property owners be as disappointed as they should be and sell to people needing year around municipal services? Remember, owners of vacation property get very little back for their tax dollars. (They do not send their children to school here, they do not demand paved roads (at least it doesn't look like they do), waste removal is not problem; police, sheriff and fire protection doesn't have to change.)

One cannot but seriously question the wisdom or intentions of those elected officials and others who so strongly support and are pushing so hard for the permanent base concept. One can never be sure, but common sense, honesty and integrity seem to take flight in the presence of greed. I would prefer to think otherwise, but why one or more of our elected officials have not asked that a thorough and all encompassing economic and environmental study be made, can only be surmised. Is this whole thing a vote-getting vehicle?

While Michigan taxation does everything it can to the contrary, surely the talent exists in the private sector to create a plan for the growth of Crawford County in a meaningful way, a plan that would bring people, business and manufacturing, while doing so in an orderly, profitable and environmentally swift and sound manner. Grayling and Crawford County need jobs, but not at all costs. When it can be proven that Camp Grayling as it is and as it is proposed to be, gives back more than it takes, when the results of the economic and environmental studies prove that 35,000 additional people are truly good for the majority of people here now, then and only then can the breath of protest be quelled.

Many of us I am sure, stayed here or came here to spend the rest of our lives. We did so because we either wanted to stay or get away from, the very problems a population of 20,000-plus people present. Do we have to now start looking elsewhere?

Very truly yours,  
Michael Searles

## Notice of Mortgage Sale

Default having been made in the terms and conditions of a certain mortgage made by Louis F. Duhaime and Teala L. Duhaime, his wife, of 24749 Curie, Warren, Michigan 48091, Mortgagees, to the Grayling State Bank, a Michigan Corporation, of Grayling, Michigan, 49738, Mortgagee, dated August 3, 1976, and recorded in the office of the Register of Deeds for the County of Crawford and State of Michigan, on the 20th day of August, 1976, in Liber 154, Page 274 of Crawford County Register, on which mortgage there is claimed to be due, at the date of this action for principal and interest, the sum of SIX THOUSAND, EIGHT HUNDRED SIXTY-SIX and 10/100 DOLLARS (\$6,866.10).

AND no suit or proceedings at law or in equity having been instituted to recover the debt secured by said mortgage or any part thereof, NOW, THEREFORE, by virtue of the power of sale contained in said mortgage, and pursuant to the statute of the State of Michigan in such case made and provided, NOTICE IS HEREBY GIVEN that on the 22nd day of August, 1984, at 10:00 A.M. said mortgage will be foreclosed by a sale at public auction, to the highest bidder, at the front door of the Crawford County Building, in the City of Grayling, Michigan (that being the building where the Circuit Court for the County of Crawford is held), of the premises described in said mortgage, or so much thereof as may be necessary to pay the amount due, as aforesaid, on said mortgage, with the interest thereon at 9 1/2% per annum, and all legal costs, charges and expenses, including real estate taxes which may be paid by the undersigned necessary to protect its interest in the premises.

Said premises are described as follows: State of Michigan, Township of Grayling, County of Crawford, to wit:

No. 1. The East 1/4 of the West 1/4 of the Northwest 1/4 of the Southeast 1/4 of Section 25, Town 26 North, Range 3 West, Except 33 feet off the South side for a road.

No. 2. The West 1/4 of the East 1/4 of the West 1/4 of the Northwest 1/4 of the Southeast 1/4 of Section 25, Town 26 North, Range 3 West, Except 33 feet off the South side for a road.

SUBJECT to easements, restrictions, reservations, and rights of way of record.

The redemption period shall be six months from the date of such sale.

Dated: June 23, 1984.

## Help Wildlife Manage Woodlots

Around the turn of the cen-  
 tury, during the white pine  
 logging era in Michigan  
 there were very few white-  
 tail deer in this state. The  
 unmanaged, old-growth  
 forests provided little food  
 for wildlife. When the pine  
 was cut and young trees and  
 brush began to reforest the  
 state, the deer herd began to  
 grow and expand.

Forest management is im-  
 portant to the deer herd in  
 Michigan, as well as to the  
 survival of ruffed grouse, elk  
 and other wildlife. Clear-  
 cutting and selective thin-  
 ning are management tech-  
 niques which benefit forests  
 and increase the browse  
 available for wildlife. Tim-  
 ber production and im-  
 proved wildlife habitat go  
 hand in hand!

Management planning for  
 woodlots and wildlife is  
 available through the Craw-  
 ford-Roscommon Soil Con-  
 servation District, 409 Lake  
 Street, Roscommon, MI  
 48853. The District Forester  
 is Sherry Castle.

## Bonfire and Music at Hanson Park Tuesday

On Tuesday evening, July 24, Hanson Park will sponsor a  
 bonfire-marshmallow roast for area children and their par-  
 ents. The event will be held behind the ski lodge and everyone  
 is welcome. The bonfire, marshmallows and sticks will be  
 supplied by Hanson Park. Adults are invited to attend with  
 their children. They should bring lawn chairs or blankets for  
 more comfortable seating. Adults may bring their own  
 refreshments. Throughout the evening, the Original AuSable  
 River Dixieland Band will be playing on the newly construct-  
 ed patio in back of the ski lodge. The bonfire will be lit about  
 7:00 p.m. in hopes that it will be in the best of marshmallow  
 roasting condition when the band begins to play at 8:00. Don't  
 miss this great opportunity to enjoy an evening at your com-  
 munity park.

## Plans Set for 5th Annual 10K Milltown Run July 28

Entry forms are available for the 5th Annual 10K Mill-  
 town Run Saturday, July 28, starting at 9 a.m. The race,  
 sponsored by Northern National Bank and Grayling Mercy  
 Hospital, will be run over the same course with an earlier  
 starting time this year. A 1.5 mile fun run will precede the 6.2

## New Family Project To Be Offered

A new community pro-  
 gram is being offered to  
 families living in the Craw-  
 ford, Montmorency and  
 Oscoda County areas. This  
 project, which started in Oc-  
 tober, 1983, provides training  
 to teens and their parents in  
 effective communication  
 and problem solving.  
 Reuniting Families, a pro-  
 ject of Rainbow Runaway,  
 will help youth between the  
 ages of 13 and 17 and their  
 parents in a program which  
 will treat the family as a  
 whole rather than separate  
 parts. The program begins  
 with a family weekend train-  
 ing, followed by six, weekly  
 support group meeting. This  
 program will begin August  
 3rd and run through Septem-  
 ber 14, 1984.

A team, made up of area  
 professionals and volun-  
 teers, will work with  
 families in improving their  
 communication skills and  
 strengthening family bonds.  
 Area agencies and in-  
 terested individuals may ob-  
 tain more information on  
 participating in the program  
 by calling the Reuniting  
 Families Coordinator at 1-  
 800-292-3003, or in Grayling  
 call Roscommon 275-8884.
